

Self Introduction

Hibiki HATAKENAKA/畠中響生
2025/04/09

Basic information

Name

- Hibiki HATAKENAKA(畠中響生)

Age

- 23 years old(born in June 14th, 2001)

Place of birth

- Sakai City, Osaka Prefecture
- lived for 19 years!

Hobbies

Espesially

- Baseball
- Sauna

Others

- Guitar
- Table tennis
- Travel
- Eating

Baseball

No Tigers, no life.

- I love Hanshin Tigers!!!!!!!!!

Sauna

- Relaxing time(ととのい) is so important!!!
- Worked part-time at a sauna (also plan to do this in Tokyo)

Undergraduate years

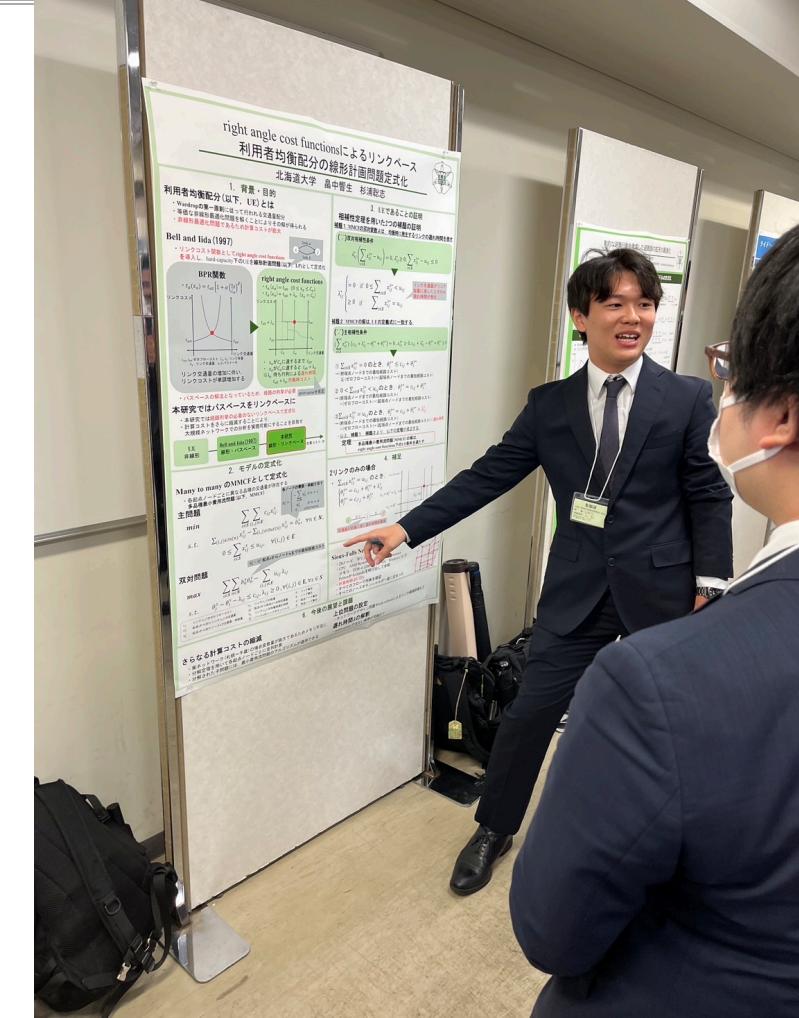

Hokkaido University

- I lived in Sapporo for 4 years.
- Traveled all over the place (let's go to Hokkaido together!)

Graduation research

- Belonged to the Transportation Network Analysis Laboratory
(Prof. Satoshi Sugiura)
- "Linear programming problem formulation for link-based user equilibrium assignment problem with right-angle cost functions assumption"
 - Developing more efficient algorithms of user equilibrium assignment
 - Presented at the The 70th Infrastructure Planning Conference

Goals for this year

Good research

- planning for pedestrian, walkable street, functionally Hierarchical Road Network, vitalization in City Center(中心市街地の活性化)
- I especially want to contribute to rural area

Others

- improve my English
 - especially listening...
- To make a lot of friends
- To finish the Hokkaido Marathon
 - to go on a diet...
